ACCESS.4
Spinning Third Party【DISK②】

So— Do you know what this girl can do?
YES.
REM ALONE CAN'T DO ANYTHING
HER ABILITIES WORK IN CONJUNCTION WITH MY COMMAND LINE. WITHOUT A LINK HER POWERS CAN'T BE USED.
BECAUSE SHE IS A PERIPHERAL DEVICE
Nothing

A LITTLE DIFFERENT
WHAT I MEAN IS
Something like a bus?

THERE ARE OTHER MEDIA APPLICATIONS THAT WORK WITH REM
FOR INSTANCE WITH THE SPEC-UP APPLICATION CARDS I AM ABLE TO ADD FUNCTIONALITY TO MY SYSTEM

Ah Somehow I'm not sure I understand
BUT WITH REM EXCHANGE OF DATA WITH MACHINES FROM OTHER COMPANIES WILL BE POSSIBLE
I CAN NOT CONVERT THE DATA FROM OTHER MODELS
What other media?

So she can do some useful things.
HMMMM TO PUT IT DIFFERENTLY
Ah... kind of like an interpreter?
REMI IS A PERIPHERAL DEVICE THAT CAN CONNECT WITH ME
WHAT IT MEANS IS REMI CAN TALK USING FOREIGN WORDS AND TELL ME WHAT THEY MEAN.
SHE IS A THIRD PARTY DEVICE RATHER THAN A GENUINE PRODUCT
Third party?
RIGHT SHE WAS NOT MADE BY NEC LIKE I WAS
SHE WAS DEVELOPED BY OTHER COMPANIES AND RELEASED FOR THE NEC98 SERIES

A bonus ?
A GENUINE M&C MACHINE WITH THE SAME FUNCTIONALITY AS THAT GIRL... WOULD HAVE A HIGHER PRICE THAN REAL... BUT WOULD COME WITH A BONUS
So... there's... the machine .. the bus and .. sharing and ..
Mimi... your face is scary !
IT HAS A GUARANTEE
THAT IS, THERE IS A MANUFACTURER'S WARRANTY THAT INCLUDES THE BODY
SO, SPEAKING OF WHICH, THERE IS A GUARANTEE ON THE BODY
GUARANTEE!!
EVEN WITH A GENUINE MACHINE, IF DAMAGE OCCURS BECAUSE OF A FAILURE WITH A PERIPHERAL DEVICE OTHER THAN THE MANUFACTURER'S, THERE IS NO GUARANTEE
There is no guarantee with third party ?

YES... THE DESIGN WAS VERY WELL DONE BUT...
But... she is very cute.
IT IS BECAUSE THE LOWER QUALITY OF THE MATERIALS AND FEATURES THIRD PARTY MACHINES ARE CHEAPER.
ALSO COMPATIBILITY MAY BE AN ISSUE
But...?
YESTERDAY WHEN WE DID THE INITIALIZATION AND ID CHECK...
SOME AREAS WERE PROTECTED

FUNCTIONING AS A SEPARATE DEVICE SHE WILL HAVE NO PROBLEM.
TO UNLOCK IT YOU NEED THE PASSWORD
Can the protection be removed?
IT IS CERTAIN SHE IS KEEPING SOMETHING SECRET
THAT GIRL ...
Hey Shimada-san.
Hello Akira-kun Mimi-chan Are you taking a walk?
Hello.
REM!
DON'T GO TOO FAR.
Oh.

Reml... ah. She is Mimi's little sister...
Oh... That cute girl?
Mimi
So... She is Mimi's Little sister from Colombia, right?
Ah ha ha — ha.
Ah... Yeah, that's right
but...a child that small couldn't be a rival...Oh why am I...
I have... a lot of rivals

A-
Yes, that's right.
Remi-Chan?
Ka
Kyu-

Remi !!
Eh?
Ah-
"
Wait!! What are you doing!!
D a
Please Help!
Anyone!! Kidnappers !!
V - o o o

huh?
OWNER
Waa..
Waa..
Hey! Wait!
What should I do. Wait
This is bad... Shimada-san is calling for help.
THAT GIRL'S BATTERY IS STILL NOT IN GOOD CONDITION
WHAT SHOULD WE DO?
Ah... Hey now
ALSO IF THE BATTERY RUNS OUT IT WILL BECOME GARBAGE
IF SHE IS NOT CONNECTED WITH ME IT WILL RUN OUT IN 3 HOURS

Hau!
AAAAAAA
Aah
...
Master
Already
...
a lot...
in.

What is the progress of the project.
80% is complete.
Hm ... not as sche duled
Forte, this Plan was impossible to do without you... I am thankful
I gladly accept your complement, master.
Owner's happiness is my happiness
エヘン

With this... I am going to get you up to full power.
I will meet the expectations of my master with my pride as a top-end PC98 series system.
RH-
ALREADY MEMORY IS FILLING... RRH...
Now, the plans for the stock market that has opened in London...
